Submissions must include a 50–100 word abstract, an extended summary (500–1000 words plus figures), the title of the paper, each author's name and affiliation, technical area, and topic designation from the above list. The conference website ([www.asilomarssc.org](http://www.asilomarssc.org)) provides specific information on the electronic submission and publication processes. The conference executive committee and IEEE reserve the right to exclude a final paper submission from inclusion in the conference proceedings, if the final paper submission does not meet conference or IEEE standards for scope and/or quality. Submissions will be accepted starting February 1, 2020. **All submissions must be received by May 1<sup>st</sup>, 2020.**

- **No more than FOUR submissions are allowed per contributor, as author or co-author.**
- **To have a paper published, an author must register and present the paper at the conference.**

Notifications of acceptance will be mailed by mid-July 2020. Full papers are due shortly after the conference and published in early 2021. All technical questions should be directed to the Technical Program Chair **Prof. Marco F. Duarte** ([mduarte@ecs.umass.edu](mailto:mduarte@ecs.umass.edu)) or to the General Chair **Prof. Joseph R.
