CALL FOR PAPERS
57th Annual Asilomar Conference on Signals, Systems, and Computers

Asilomar Hotel and Conference Grounds
Pacific Grove, California
October 29 – November 1, 2023
www.asilomarssc.org

Authors are invited to submit papers in the following areas:

Submissions must include a 100–200 word abstract, an extended summary (500–1000 words plus figures), the title of the paper, each author's name and affiliation, technical area, and topic designation from the above list. To be eligible to take part in the student paper competition, the submission of a full paper (5-8 pages) is required. The conference website (www.asilomarssc.org) provides specific information on the electronic submission and publication processes. The conference executive committee and IEEE reserve the right to exclude a final paper submission from inclusion in the conference proceedings, if the final paper submission does not meet conference or IEEE standards for scope and/or quality. Submissions will be accepted starting March 31, 2023. All submissions must be received by May 1, 2023.

- No more than FOUR submissions are allowed per contributor, as author or co-author.
- To have a paper published, an author must register and present the paper at the conference.

Notifications of acceptance will be mailed by mid-July 2023. Full final papers are due shortly after the conference and published in early 2024. All technical questions should be directed to the Technical Program Chair Prof. Chinmay Hegde (chinmay.h@nyu.edu) or to the General Chair Prof. Marco F. Duarte (mduarte@ecs.umass.edu). Prospective organizers of special sessions containing typically four papers are invited to submit proposals to the General or Technical Chair by February 10, 2023. Proposals must include title, topic, rationale, session outline, contact information, and a description of the session organization with paper titles and contact information for proposed special session authors.
